# LUNCH UPDATE

Thank you to everyone who participated in our lunch survey. With the information gathered, we have made a decision regarding lunches for the 2024/2025 school year.

Due to the majority of families declaring that participating in this year's proposed lunch plan is not desired, we will not have meal options Monday thru Thursdays. Chick-fil-A will be available each Friday at the cost of \$7.00 per meal with a dedicated purchase of 4 Friday meals per child. Each participant will be charged \$28.00 each month for participating in the program.

FOR  
LUNCH

Please join us for
